Dear Mother
Just a line to let
you know I am quite well. Will is progressing
favourably. He was still in France in bed when
he wrote that & he says he will be in bed
another month when he gets to England so
I hope he will be able to have Xmas with
Uncle before he comes back or goes home
which I hope it will be home. Arthur
Isles is having a good time in England
Mother you can give May my congrat-
ulations when you see her & give her
something for me which will be useful
to her. Remember me to Mrs Fisher
& Al Pocock when you write I will
say good bye with love

From ever your
Loving Son
Charlie
